Secondary Education  
◦ Percentage: 88.9 %  
Gaya, Bihar

## SKILLS

- Programming Languages:** Java, Javascript
- DataBases:** MySQL
- Web Technologies:** HTML, CSS
- CourseWork:** DSA, DBMS, OOPS
- Others:** Git

## PROJECTS

- Notepad** June 2024 - July 2024  
Tools: Java, Swing, Awt [\[github.com/sagar-rj/Notepad\]](https://github.com/sagar-rj/Notepad)
  - Designed and developed a standalone Notepad application using Java (JFrame, Swing, AWT), demonstrating expertise in core Java and interactive UI development.
  - Implemented essential text-editing features (copy, paste, cut, select all, bold, italic) and integrated keyboard shortcuts to optimize user productivity and experience.
  - Built robust file management and system-wide clipboard support, enabling seamless open, save, and print operations for .txt files and smooth text transfer across applications.
- Intelligent Meeting Assistant: AI-Driven Summarization & Sharing** June 2025 - August 2025  
Tools: HTML, CSS, Javascript [\[github.com/sagar-rj/AiSummerizer\]](https://github.com/sagar-rj/AiSummerizer)
  - Designed and deployed an AI-powered web application to automate meeting note summarization and distribution, improving operational efficiency and decision-making speed.
  - Led end-to-end software development lifecycle (SDLC)-including architecture design, implementation, and deployment-ensuring scalability and high performance.
  - Built a customizable summarization engine with rich-text editing and prompt-based outputs, enabling tailored summaries such as executive briefs and actionable insights.

## VOLUNTEER EXPERIENCE

- NAVPRAYAS** May 2023 - July 2023  
Event Coordinator & Team Member
